

**Wondertrack® provides fast pain relief to nagging back pains.**

**If you can lie down, you can use it!**

- Patented
- FDA Registered Device
- Invented By An Orthopedic Doctor
- Helps Relieve Muscle Tension & Back Pain
- Easy to Use - Just Lie Down On It!
- Use 10-20 Minutes Per Occurrence Or As Needed for pain (2-3X day)
- Use 30 Minutes - 2 Hours For Severe Pain

The Wondertrack's® patented design with the curved sides and flat straight line center axis receives the body and cradles it from the shoulders to hips. The Wondertrack® serves as a relaxation aid and exercise facilitator and reduces muscle pressure and relieves lower back pain, upper back pain, and other back pains. Wondertrack's® curved surface utilizes your body weight and pushes your spine down and inward for fast alignment and fast back relief! Get back on track with Wondertrack!

**Relief in as little as 10 minutes!**
