

SECURITY WIZARD 4™

Laser-Line Visual Indication

A Powerful, Precision Metal Detector Made For Precision Detection And Accurate Indication

Helps detect concealed objects and visually indicates location

The Security Wizard 4 is the most advanced and most powerful security wand available.

It's Laser Line Indicator and powerful coils and state of the art electronics allow the unit to be used in high security applications where precise detection is critical.

The Security Wizard 4 powerful long range coils and unique laser beam line capability allows the unit to be used without alarming patrons and suspects.

The powerful scanning head allows for deep penetration of clothes, containers, and surfaces where dangerous or suspicious weapons or metals are concealed.

- Bright laser-line indicator Responds equally well to all types of metal, steel, stainless steel, zinc, magnesium, and aluminum.
- Instantly Locates Weapons, Paraphenalia and Dangerous Metal Objects
- 6" wide scanning area
- Durable, sturdy plastic casing
- One 9 volt battery required
- 1 year warranty

Security Wizard 4 Product Specs:

UPC Code: 721633111306

Wizard Stock Number: 25520

Dimensions: Length 18"; Width 3 1/8"; Height 1 1/8"; Weight 10.3 Oz.

Color/s: Black

Packaging Type: Clamshell

Package Dimensions: Height 21 1/2"; Width 8"; Thickness 2", Weight 15 Oz.

Master Carton: 12 Units, 24" x 12" x 12", 14 lbs

Types of Metal Detected: Responds to all types of steel, stainless steel, zinc, magnesium, aluminum, copper, brass, etc.

Electronics: Laser-Line Generator Metal Detector. Unit operates with an automatic tuning transmit/receive circuit. Provides precision detection pattern to help prevent false alarms.

Operating Frequency: 13 kHz/6,600 Hz

Power Requirements: One 9 volt standard alkaline battery. Typical battery life is up to 30 hours depending on use of laser. Battery is not included.

Switches: On switch; off switch; laser indicator switch; audio alert switch; and fine tuning adjustment screw.

Alert Indicators: Switchable piezo tone alert, switchable laser indicator, earphone jack (earphone not included) and LED light to indicate the presence of metal.

Sensitivity: Under ideal conditions, the unit can detect a solid 3" piece of metal up to approximately 6", a large deck screw at up to 4", a medium nail at up to 2 1/2", a paneling nail at up to 2", or a wood staple at up to 1 1/4".
